## FUND DIRECTORS FORUM

---

The ILA Fund Governance Committee is creating a new forum designed to provide for a proactive discussion amongst Board Members, on a Chatham House Rules basis, regarding key topics they face in the execution of their activities, supported by insights from the ALFI, ILA and prominent law and audit firms. The format of the forum will largely be consistent with the very successful Conducting Officers forum in that each session will be animated around a specific topic, but the discussion is not limited to only that topic.

The forum is not intended to be an exclusive one, but to ensure that the events are effective and taking the capacity constraints into account; the following attendance principles shall apply:

- Each Fund can be represented by 1 Board Member (person must be exercising role of a Board Member and shall include the name of the Fund they are representing in the registration)
- Each ManCo/AIFM can be represented by 1 Board Member (person must be exercising role of a Board Member and shall include the name of the ManCo/AIFM they are representing in the registration)
- Participants are expected to actively contribute to the discussion

**08.30 a.m.**      **Registration and welcome coffee**

**08.40 a.m.**      **Introduction**, by Justin Griffiths, Partner, Deloitte and member of the ILA Fund Committee

**08.45 a.m.**      **“The Sanctions Regime”**, animated by Isabelle Lebbe, Partner, Arendt & Medernach

**09.50 a.m.**      **Closing remarks**, by Justin Griffiths
