ILA Bootcamp Fundamentals of Luxembourg corporate governance

18 October 2017

ILA Bootcamp

Fundamentals of Luxembourg corporate governance

Course outline

The objective of this course is to **understand the key roles, duties and liabilities of directors, as well as the Luxembourg legal framework and governance environment**

This course will explore not only the legal and regulatory aspects but will also provide participants with best practices and practical advice. The program is designed to be highly interactive, and is facilitated by Luxembourg experts.

This course is designed for directors (executive and non-executive), who want to improve their knowledge of the Luxembourg corporate governance environment. It will also be of interest to senior managers, company secretaries and other professionals interacting with boards who are looking to improve their understanding of the role of a board and its directors.

This course is available in both **English and in French versions**.

Benefits of the program

- An understanding of the key concepts of the Luxembourg environment, as well as the role of good governance in achieving effective & value-adding boards
- An overview of specific situations in Luxembourg
